

Dreamscape: Saving Alex

Sixteen-year-old Alexis Stone is used to getting away from life's frustration with Dreamscape, a video game she's loved since childhood. As her family prepares to move, a sleepy night of gaming pulls her into the world like never before. Trapped in Dreamscape's realm, Alex is about to learn that being a hero has consequences and this time, the stakes are deadly. Will helping the rebellion cost her everything she knows and loves? Or will she betray them to save her own life? Voted one of Goodreads Top Fantasy Adventure Novels, this YA contemporary fantasy will keep you on the edge of your seat with its fast-paced adventure, elements of gaming, and romance. It's a modern-day blend of *Sixteen Candles* meets *Wreck-It Ralph*. Mommy Booknerd, 5 star review: Dreamscape is one of those books that you wish you, yourself, could hop into and be taken away into the adventure, fantasy and setting contained within the pages. Who doesn't want to be taken on an adventure that involves danger, mystery and love in various forms... Pulioff has such a creative mind and I feel that she really captures the essence of characters that readers can relate to. Her books make you think, make you wonder and allow you to step out of the everyday world into a fascinating and exciting world filled with adventure. Katie Cross (Amazon Best Selling Author), 5 star review: A fun, easy read. I LOVED the video game setting. I could practically hear the tune in the back of my head while reading the story. :) It makes me want to go watch *Wreck-It Ralph* and play *Super Mario Bros*. Readers Favorite, 5 star review: This exciting adventure is vividly brought to life through a brilliant plot and unforgettable characters set in the magical world of Dreamscape. I loved the idea of two little girls playing video games and then a girl super hero; it breaks so many stereotypes. Dreamscape: Saving Alex is not your everyday YA fantasy novel. The

story brilliantly blends adventure, fantasy, action, suspense, some YA romance, and a mesmerizing setting to give you a thrilling reading experience.
