

Dying for a Daiquiri (Laurel McKay Mysteries Book 3)

A 2014 LEFTY Award Finalist Best Humorous Mystery & 2014 SILVER FALCHION AWARD Finalist Best Traditional Mystery When Laurel McKay attends a Hawaiian wedding, her vacation soon becomes more deadly than the calorie count in her daiquiri. Her post-wedding holiday upends after a beautiful hula dancer is found dead on the rocks below the oceanfront restaurant owned by Laurels brother and sister-in-law. When a family member is arrested for the murder, Laurel is plunged into a mystery where exotic Big Island locations--a coffee plantation, black sand beaches and a volcano--reveal their deadly side. And where is her hunky on-again/off-again boyfriend detective when she needs him? Laurel zip-lines and four-wheels her way through the island paradise unearthing long hidden secrets. Will ingenuity and pluck be enough? Or will this hula be her last? Quirky narrative peppered with quips. The action is comedic yet has an air of suspense. An intoxicating recipe for fun...A must read for the romantic mystery reader and contemporary romance reader! Once Upon a Romance Reviews DYING FOR A DAIQUIRI is the perfect title for Cindy Samples newest laugh-laced who-done-it. Her delectable concoction will make you hanker to visit Hawaii, request life-size posters of the two hunks vying for heroine Laurel McKays kisses, and laugh out loud at this single moms humor and pluckeven when her lifes hanging by a thread. I give five starsor maybe it should it be five cherriesto this cocktail of a vacation adventure, sexy interludes, raucous laughs, and mystery.

Linda Lovely, Author of the Marley Clark series Laurel McKay could serve as the poster girl for a normal suburban soccer mom except for one thing. Shes a magnet for murder, even on vacation in Hawaii. Cindy Sample has created a heroine all gals can identify with and admire as she keeps going with wit and determination, even in

the face of a homicide arrest. Samples stories combine humor, romance and mystery, a recipe that yields a great book. Kick back with a tall, cool drink and enjoy this 5 star read! Mary Beth McGee, National Reviewer, Examiner.com If Laurel McKay shows up at your party, watch out for bodies!
