

## The Funeral Directors Son

This family business is for life... In the small town of Clover, when you die, you are put to rest by Campbell and Sons Funeral Home. Unfortunately twelve-year-old Kip Campbell happens to be the only son in that title. And that's a problem for him since the funeral home business is the last thing he wants to inherit, even if he has a gift for it. See, it just so happens that Kip can talk to the dead. Well, they talk to him, really. They tell him what they need in order to move on to the great beyond. Kip wants to move too. Straight out of Clover. He's about to give notice -- he's done helping the dead -- when he's offered a surprising deal: Find out the secret that is holding back old Billy Blye, and Kip will receive his weight in gold. That would be enough to take him far away from Clover, and Campbell and Sons Funeral Home.
