GULP? As the Earth tilts on its axis, precipitating a new Ice Age, hordes of rabid lemmings race towards Europe. Meanwhile a time-travelling Hitler emerges in sleepy Devonshire and proceeds to clone himself in preparation for the march on London. Will a Fourth Reich rise to strangle the Mother of Parliaments? Or will London be devastated by a nuclear accident on the Tube? WE COME TO ANNIHILATE YOU PAINFULLY AND RAPE YOUR PLANET EARTHDOOM! is the disaster novel to end em all. And not before time ...
