

Execution (The Divine) (Volume 6)

Landon Hamilton, the champion of humankind in the war between good and evil, had thought he'd seen the last of the demon Abaddon when he destroyed Archangel Avriels Box. He was wrong. Abaddon is back, summoned to our world by an old acquaintance and desperate for the freedom he was promised. Now the race is on for Landon and his motley team of angels, demons, and mortals to find a way to destroy Abaddon and put a stop to his handlers' plot before humankind is laid to waste. He's outmatched and out of time. But then again, isn't he always?
