

## Unbound (The Grievors Mark) (Volume 3)

As the growing conflict forces Logan to embrace his newly discovered heritage, he fights to control a power he has long kept buried a power that threatens everything he has tried to make of himself. Desperate to spare Astarti yet another burden, he tries to hide his crumbling control, but she has long since learned to recognize a lie. As Logan becomes a danger to himself and those around him, Astarti must find a way to help him, even if he doesn't want it. Unfortunately, Astarti has other problems. Good and evil wear ever-shifting faces, the right course of action grows increasingly unclear, and the stakes are only getting higher. In this final installment of The Grievors Mark trilogy, Astarti must decide, once and for all, what she stands for and what she is willing to sacrifice.
