

Caillou: I Can Brush My Teeth (Step by Step)

Caillou isn't a baby anymore. He wants to brush his teeth by himself. After breakfast and before going to bed, Caillou brushes little circles all around the surface of his teeth. The ones in the back are harder to reach, but Caillou tries his best. Either Mommy or Daddy is always by his side to give him a guiding hand or some pointers for next time. Caillou even takes care to brush his dinosaurs' big teeth!
