

P.S. Eddie Takes a Trip

P.S. Eddie Takes a Trip is a full color story book specifically about Drug Education/Prevention and is targeted for children ages 8-12. It is a fictional story about a group of 12-13 year old kids who find out the hard way what happens when they decide to smoke marijuana. An excellent tool used in opening the lines of communication between you and the child you are reading to while spending quality time together. Points of Discussion Questions help adults open the lines of communication and provide a wrap-up to the story. The Partnership for a Drug Free America agreed to serve as a source in providing factual information to adults who will be reading the book to children. The PDF information is located on the Points of Discussion Page.
