

## Broke At Dawn: A Juliet Harrison Novel 5

Thanks to the meddling of Dr. Mason, the cracks in Juliets already unstable mental state are finally tearing wide. Shes losing control, and Ezra is getting caught in her wake. That shes barely hanging on is no excuse when The Catalogue--an old and dangerous anti-magic organization--shows up, knowing more about Ezra than Ezra knows about himself. Between keeping Juliet sane and trying to maintain desperately needed peace, Ezra makes a deal with The Catalogue--one that takes them to Ecuador, on the hunt for a city lost more than 500 years ago. But what waits for him is evil beyond anything hes ever seen. Their only hope for survival is a price Ezra refuses to let Juliet pay. Her mind.
