

Emmas Not-So-Sweet Dilemma (Cupcake Diaries)

Emma loses an important modeling job due to an injury she got while playing with her brothers. How will she pay for the beautiful holiday presents she planned for her family and friends? Emma is playing ball with her brothers on an unusually warm winter afternoon. But an errant toss from her brother Matt hits her right on the nose! Luckily, its nothing more serious than a little swelling, but its enough to make her lose an important modeling job at The Special Day salon. Mona hires mean girl Olivia Allen to fill in. Olivia is thrilled, not only for the job, but also for a chance to spread some nasty rumors about Emma. Worst of all, now Emma cant afford the beautiful holiday gifts she planned to buy her family and friends. Emmas Cupcake Club pals remind her that the best gifts come from the heart, and dont have a price tag.
