

Scattered Sheets (Spilled Ink Book 1)

A small collection of spilled ink: Micropoetry, Free-verse, and quotes I absolutely loved it from beginning to end. I had read Ericas work via instagram and finally decided to download her book. I now wonder what took me so long. Her rawness and heartfelt emotion is so easy to identify with. This collection of spilled ink had me in tears with just the first page. So honest and true. You cant help but relate to each piece. ***** 5 Star Review (Sally, Amazon Customer) This small compilation of poems is breathtaking. I read it in one night and related to most. Its a beautifully put together masterpiece ***** 5 Star Review (Nay Dean, Amazon Customer)
