

Human Anatomy, Books a la Carte Plus MasteringA&P with eText -- Access Card Package (7th Edition)

Books a la Carte are unbound, three-hole-punch versions of the textbook. This lower cost option is easy to transport and comes with same access code or media that would be packaged with the bound book. The #1 best-selling book for the human anatomy course, Human Anatomy, Seventh Edition is widely regarded as the most readable and visually accessible book on the market. The new edition builds on the book's hallmark strengths that teaches better, a reader-friendly narrative, and easy-to-use media and assessment tools and improves on them with new and updated Focus Figures, new in-text media references, and an updated MasteringA&P course. This edition also features vivid new clinical photos that reinforce real-world applications, and new cadaver photos and micrographs that appear side-by-side with art all to increase students' ability to more accurately visualize key anatomical structures.
