

Essentials of Anatomy & Physiology

Essentials of Anatomy & Physiology is a text that blends up-to-date science, stimulating writing, high-quality art, and cutting-edge educational technology to provide the most effective teaching and learning program available in the one-semester anatomy and physiology courses. The distinctive pedagogy of the text revolves around the theme of Elevate Learning. From Base Camp to Assess Your Learning Outcomes, the student experiences a clear sense of the path ahead, a convenient means of charting progress, and a satisfying sense of accomplishment at the end.
