

Everwild (The Skinjacker Trilogy Book 2)

Going against Mary Hightowers wishes, Nick, the chocolate ogre, is slowly trying to reach every kid in Everlost to hand each and every one a coin, which will release them from Everlost. Mikey McGill and Allie have joined a band of skinjackers who have more of an impact on the living world than any other inhabitant of Everlost. Except Mikey cant skinjack and Allie can - and there is a very good reason: Allie is not actually dead.
