

## Fierce Loyalty: The Five Kingdoms Book 5 (Volume 5)

War! Kings have fallen and wizards battle magical creatures all across the Five Kingdoms. Zollin pursues his nemesis south, but he isn't the only one focused on changing the Five Kingdoms. Offendorl, Master of the Torr limps home in hopes of regaining his former glory. Armies from Falxis and Ortis march toward Osla, intent on taking the wealthy kingdoms' treasures for themselves. King Zorlan dreams of conquering the Five Kingdoms and creating an Empire. And Gwendolyn the Sorceress Witch has returned to the tower of the Torr and taken her old masters' place. But will the feverish grasping for power reshape the Five Kingdoms for the better, or unleash something much, much worse?
