

The Kingdom of the Bears

Two kids from Vermont discover a magical land where a kingdom of bears is fighting a desperate struggle for survival against a gang of rapacious weasels. Mistaken for emissaries of a lost human kingdom, they join with a band of renegade bears, a skunk, and a clan of fierce badgers, to reclaim the throne of the Kingdom of the Bears. The Kingdom of the Bears is a page turner for fantasy lovers of all ages, in the vein of The Chronicles of Narnia.
