

Hidden by Time (Building Fluency Through Readers Theater)

Earthquakes shake the island. Ash turns the sky black. Will Yaya and her family escape the volcanic eruption? Play a part in solving the historic mystery of the ancient Minoan civilization through parallel stories of the past and present. Hidden by Time follows explorers making significant geological discoveries in the present time, while reliving past events through the eyes of a young Minoan girl. This exciting Readers Theater script gives everyone an opportunity to succeed as it offers differentiated roles with various reading levels. Additionally, a list of Tips for Performing Readers Theater helps students develop good stage presence, interact cooperatively with peers, and talk with feeling and meaning. With a glossary to deepen vocabulary and an accompanying poem and song, this five-act leveled script is the perfect tool to increase student fluency, comprehension, and content literacy in earth science and social studies.
