

Fantasy Magazine, Issue 60 (December 2016, People of Colo(u)r Destroy Fantasy! Special Issue)

LIGHTSPEED is an online science fiction and fantasy magazine. In its pages, you will find science fiction: from near-future, sociological soft SF, to far-future, star-spanning hard SF and fantasy: from epic fantasy, sword-and-sorcery, and contemporary urban tales, to magical realism, science-fantasy, and folktales. Funded as a stretch goal of LIGHTSPEED's People of Colo(u)r Destroy Science Fiction! Kickstarter campaign, this month we were presenting a special one-off issue of our otherwise discontinued sister-magazine, FANTASY, called People of Colo(u)r Destroy Fantasy!: an all-fantasy extravaganza entirely written and edited by POC creators. This issue is guest-edited by Daniel Jose Older.
