

The Devils Concubine (The Devil of Ponong) (Volume 1)

QuiTai, ruthless concubine of Levapurs mysterious crime lord, the Devil, receives an unexpected invitation to cocktails with disgraced Thampurian Kyam Zul. She doesn't trust Kyam enough to drink anything he pours, and won't help him no matter how hard he begs or threatens. But when QuiTai's ex-lover is murdered, Kyam is the only one who knows the name of the killer, and he won't tell QuiTai unless she helps him first. The torpid back alleyways of Levapurs tropical colony hide more than lovers. There are things with claws, beings with venomous fangs, and spies lurking in the jungle. Most of them want to keep their secrets. One wants QuiTai dead.
