

## Games of Fate (Fate Fire Shifter Dragon) (Volume 1)

Rysa Torres cant get a handle on the world. Her attention issues get in the way. But when monsters activate a part of her she didnt know she had, Rysa becomes the Fate at the center of an epic battle against a terrifying future--and a world consumed by fire. With the threat of a burning future distorting Rysas Fate abilities, she sees only two options: End her own life, or watch Ladon, the only man to see beyond her issues and love her for who she is, die. Will they accept the only future they see, or will they find the strength to break the bonds of fate?
