

The Kings Blood: Book 2 of the Dagger and the Coin

War casts its shadow over the lands that dragons once ruled. Only the courage of a young woman with the mind of a gambler and loyalty to no one stands between hope and universal darkness. The high and powerful will fall, the despised and broken shall rise up and everything will be remade. And an old, broken-hearted warrior and an apostate priest will begin a terrible journey with an impossible goal: destroy a Goddess before she eats the world.
