

UnHoly Night (Bubba the Monster Hunter Book 12)

With Bubba laid up in the hospital, Skeeter takes to the field in this heart-warming (not really), family-friendly (not at all), completely serious (not even a little bit) holiday tale. Lets face it, Skeeters almost as wrong as Bubba is, just in a completely different way. So if youre into stories where old people get insulted, rednecks get made fun of, and something completely silly and unexpected happens at the end, then jump on board, itll be an interesting ride! Cross Larry the Cable Guy with The Dresden Files, and you have Bubba the Monster HunterReminds be a bit of Ash from Army of DarknessHartness spins another tale of redneck mayhem full of his usual sarcastic humor.
