

Fire in Frost (Crystal Frost Book 1)

CRYSTAL FROST always believed the paranormal was just for fun. That all changes when she spots the ghost of a dead classmate. As her psychic abilities manifest, Crystal uncovers the secrets her loved ones have been keeping from her. Meanwhile, the most popular girl in school learns that Crystal is psychic. If Crystal doesn't use her abilities to help her, then everyone will find out she's a freak. On her journey to discovering what she's capable of, Crystal must find some way to save the people who have come to her for help. Will she be able to fulfill these overwhelming demands while solving the mystery of Olivia Owens' ghost?
