

## Birthright - Book 2 of the Legacy Series (An Urban Fantasy novel) (Volume 2)

Haunting Memories Following the events of his last adventure, Erik Ashendale is having some serious doubts about ... well, just about everything. He is doubting his power, his apprentices progress reached an impassive point and his sisters information is yielding nothing. The Sins can attack at any time, and our hero has no idea what to do. So he turns to Sun Tsu, an old friend who provides Abi with a few tools and a friendly ear to Eriks tale: the obscure history of Erik Ashendale and how he went from a regular kid born into a rich Warlock family to the hunter we all know and love today.
