

CBA

How can you grow up safely on the internet in the 21st Century? Trialled in schools with young people, CBA is a play for young people that asks the questions that need to be asked now more than ever. Fast paced and thought provoking CBA examines the complexities of growing up with the technology that surrounds us. When does a joke stop being a joke? When should you tell someone else's secret? Keisha has a secret she daren't share. Georgia has a security problem that keeps getting bigger. Tom is afraid to speak out.
