

Footfall

NOBODY DOES IT BETTER THAN NIVEN AND POURNELLE. I LOVED IT!--Tom Clancy They first appear as a series of dots on astronomical plates, heading from Saturn directly toward Earth. Since the ringed planet carries no life, scientists deduce the mysterious ship to be a visitor from another star. The worlds frantic efforts to signal the aliens go unanswered. The first contact is hostile: the invaders blast a Soviet space station, seize the survivors, and then destroy every dam and installation on Earth with a hail of asteroids. Now the conquerors are descending on the American heartland, demanding servile surrender--or death for all humans. ROUSING ... THE BEST OF THE GENRE.--The New York Times Book Review From the Paperback edition.
