

ZOMBIE CHICKENS INVADE KEY WEST

Key West has always been a very strange place that follows a different set of rules, but now things are going to get a whole lot weirder there real fast. Something bad is happening to the chickens of South Florida. A new virus that may be from outer space called chicken zombithicus is turning normal tame chickens into deadly zombie chickens! *Zombie Chickens Invade Key West* is a short story that is hilariously funny, gross, silly, entertaining, and wildly imaginative. If you are of legal age kick back with a cocktail or two at home and get ready to laugh out loud till it hurts! This is a horror short story, horror shorts, horror short reads, horror comedy, horror comedy books.
