

Daughter of the Thirteen: A Vampire Romance (Bourbon Street Witches Book 1)

Laurel Fabre has just discovered she's a witch, but she's not just any witch, she's a daughter of the Thirteen and her lover just might be the devil. Her mother dared to break a pact with the devil and Laurel will pay the price. Now she's on the run from all dark creatures, demons, vampires, and even other witches. Laurel's only chance at survival may be the Prince of Hell's half-human son, Marcos St. Clare. He's dark, sexy and the most dangerous man she's ever met, but he's also her one chance to escape Hell and preserve her soul. From a distance, he watched as Laurel grew into a stunning beauty. He longed to hold her, to kiss her, to protect her from all who would destroy her, but to save Laurel, Marcos must overcome his own dark nature. The Witches of Bourbon Street series is a prequel to the Immortal Destiny series and the Light Seekers serial. Each series is connected, but may also be read as a stand alone.
