

Everlasting Hunger (The Hunger Mate Series)

Temptation, thy name is Ian Lochlan. That was the thought running through Ellie Dawson's head when her boss offered to escort her to a local vampire bar. Who would suspect that it was owned by him and that he would be the one to introduce her to all the pleasures of a vampire's kiss? Passion is a different beast when vampires are involved and Ellie faces love from two very sensual creatures. Tragedy strikes and Ian relinquishes her into the arms of his best friend - Jasper. Ellie struggles with the feelings aroused in her by both men but she knows nothing can stop the Hunger. Can she survive loving two men and the past that continues to haunt her?

Everlasting Hunger is not your normal vampire romance. These vampires have no problem with a menage, sharing or just sipping a Drink or two. If you are looking for your typical vampire one on one, then this is not the book for you.
