

From the Ashes (Ravenwood Mysteries Book 1)

Ashes to ashes; dust to dust. Unfortunately, memories aren't so easily buried. San Francisco, 1900. Atticus Riot returns home with death on his heels and grief in his heart. After twenty years of roaming the Barbary Coast, the gambler-turned detective is about to toss the game for good. But man plans and God laughs: the case of a missing heiress draws him in its wake. As he searches for the elusive Isobel Kingston, all is not what it seems, and he is sure to clash in a battle of wits and murder that will send his life spiraling down a most perplexing path.
