

Frostborn: The First Quest

A thousand years ago, the last grandson of Arthur Pendragon led the survivors of Britain through a magical gate to a new world, a world of magic and high elves, of orcs and kobolds and stranger, darker creatures. Now the descendants of the exiles rule a mighty kingdom, peaceful and prosperous under the rule of the High King.

But dangers stir that the realm is not ready to face. RIDMARK ARBAN is a new-made knight and Swordbearer of the realm. When the archmage of the high elves asks for aid against the dread Warden of Urd Morlemoch, Ridmark volunteers for the quest, eager to prove himself and win glory and renown. But terrible evil

awaits in Urd Morlemoch, and those who enter the Wardens clutches rarely escape them... ABOUT THE AUTHOR Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNERS GUIDE series of computer books, and numerous other works.
