

Frozen Flame (Ana Martin Series Book 3)

There are many people that want Ana dead. None of them have been human...until now. Nathan is back and he is looking for her. After all, she did testify against him for murder. In order to hide, Ana travels to Marias family in America. She expects to be safe in a household of witches. However, there are conflicts within the witch clan, and Anas presence only aggravates the situation. Her troubles have merely began though, leaving Ana to wonder Are the Siis the root of her problems, or is she merely a magnet for trouble? FROZEN FLAME, is the third book in the Ana martin series, which follows Ana as she is drawn into the secret world of the Siis, an ancient race of empathic beings torn apart by war, treachery and the consequences of past actions.
