

A Southern Heart: Heart Of The South In Poetry

This book is about being southern in heart and it is a sort of Advice book as well. This book comprises of poems of the beauty of the deep south and its hospitality through welcoming peoples. I bring a rare kind of humbleness and meekness to this book in poetry that no others can do in freestyle poetry. This book in advice gives off emotions through hurts and disguises it sort of like us wearing a mask of un-certainty. I try to bring hopes upon all hopes into wishes of heart and I hope in poetry I can show you to not to anger but be patient more than all.
