

## Fury (Tranquility Book 3)

As Lady Champion, Bethany has always made the big sacrifices, the ones that plague her with nightmares so that others can sleep. Trapped behind enemy lines and powerless to take down the barrier surrounding the Magi army, Bethany struggles to keep herself and her small team of soldiers alive - no matter the cost. However, when Apexias daughters discover the true source of Magic, Bethany is forced to make the biggest sacrifice imaginable in the name of peace: the death of the Gentle Goddess herself.
