

## Tempest (Wings of War Book 3)

Ember must stop the apocalypse from happening, but at what cost? The Angels of destruction have arrived, and only Ember stands in the way of their mission to carry out Gods wrath and annihilate His enemies. When the barrier between celestial creatures and humans beings is broken and Angels descend to Earth, Ember soon learns theres a fine line between good and evil. As she faces a world full of monsters and magic, a terrifying darkness rises and threatens to destroy everything shes fighting for. In the riveting third installment of The Wings of War series, Ember and her friends embark on an epic journey, where unlikely allies are forged and age-old beliefs crumble to dust. And just when Ember accepts love in her life, its ripped away from her in the most terrifying way possible. Look for ETERNITY, book four in the Wings of War series, during fall of 2016!
