

Gareth Ogilvie The Great Sea King (Gareth Ogilvie Series)

Trapped by fate Gareth assumes the mantle of the Great Sea King; his aim is simple, break up the largest Kingdom in the world. His dreams lie in a small cottage with a forge high up in the Highlands with his beautiful wife Melina, but will she be willing to give up the trappings of a Queen. For once the motivation isn't murder by ruthless men to steal a Kingdom but to keep an unwilling man on the throne, but then again! What has become of the Highlanders that followed Gareth onto the battlefield and what became of the Eagles he freed? It's all here in this novel with a few very unusual twists that will keep you rocking with laughter.
