

## G.I. JOE: Domsday Protocol (Kindle Worlds Novella)

Its been years since Cobra removed itself from the world stage, abandoning all of their known bases of operations, including Cobra Island. Yet rumors of Cobras Domsday Protocol have been circulating for years. And recent activity on Cobra Island has added validity to those rumors, resulting in the Pentagon sending four former Joes (Shooter, Beach Head, Stalker, and Firewall), along with a few fresh recruits, to the Gulf of Mexico to verify. But when they find themselves stranded on a five-mile wide island hunted by a lone Battle Android Trooper, even the most skilled of Joes find themselves struggling to survive.
