

Give Death a Chance: The British Zombie Invasion 2

Its 2009, and Zombie John, Zombie Paul, Zombie George, and Ninja Ringo are poised to show the United States the true meaning of Beatlemania. During their first American tour since 1966, they throw down with supergenius supervillian Justin Timberlake, get abused by scantily-clad chanteuse Madonna, do some dreadful things to wannabe Zombies Noel and Liam Gallagher, possibly behead Eminem, and take on Lady Gagas Little Monsters, all in the name of climbing to the Toppermost of the Poppermost. In the hilarious, gory sequel to the critically acclaimed mashup, Paul is Undead: The British Zombie Invasion, author Alan Goldsher is the road manager and appointed scribe for the Poppermost Over America Tour, insanely crisscrossing America in a foul-smelling van packed with three short-tempered, power-mad English Zombies and one frustrated Ninja drummer. Throughout the mayhem of the brains-fueled tour, Goldsher finds out what it really means to Meet the Beatles, and answers the oft-asked question on the lips of every Fab Four fan, What does Liverpudlian Zombie breath smell like from two inches away?
