

Glossmer (The Jade Series) (Volume 3)

In a world where Deities walk unseen, Vullens are lore, and Wolfinics do not exist, Rhyme Sulstic, a boy who sees Deities, is struggling to overcome the haunting of these invisible souls. Untrained in the ways of the light, he seeks counsel through a mysterious Deity, named Venna, whose erratic behavior sets him on edge. The simple staff made out of Glossmer wood holds a powerful secret that even the Deities of the Dredge Forest are afraid of. What secrets will unfold as Rhyme deepens his quest?
