

Wooded Sanctuary

Author, Dylan Stevens is a true survivor! After escaping the abuses of his father, he takes to a life on the streets. Wooded Sanctuary allows the reader to get close to the horrors that an abuse victim goes through in their daily lives, without any of the danger. Wooded Sanctuary takes you on a ride through Stevens life of pain, and at the same time this book shows you how to survive, regardless of your current problems. If you know someone who is facing adversity and you want to help; Wooded Sanctuary is proof that even the most horrible situation can be overcome!
