

# Harvey

THE STORY: When Elwood P. Dowd starts to introduce his imaginary friend, Harvey, a six-and-a-half-foot rabbit, to guests at a society party, his sister, Veta, has seen as much of his eccentric behavior as she can tolerate. She decides to have him committed to a sanitarium to spare her daughter, Myrtle Mae, and their family from future embarrassment. Problems arise, however, when Veta herself is mistakenly assumed to be on the verge of lunacy when she explains to doctors that years of living with Elwoods hallucination have caused her to see Harvey also! The doctors commit Veta instead of Elwood, but when the truth comes out, the search is on for Elwood and his invisible companion. When he shows up at the sanitarium looking for his lost friend Harvey, it seems that the mild-mannered Elwoods delusion has had a strange influence on more than one of the doctors. Only at the end does Veta realize that maybe Harvey isnt so bad after all.
