

Karmas Coven: Witches of Karma: Rose Circle Coven #1 (Karmas Witches Book 3.5)

Karma has more than one witch....an entire coven, in fact Karmas Coven is book 1 of the Witches of Karma: Rose Circle Coven Series. Catrina Gordon has managed to keep her abilities quiet, and that's just how she likes it. When journalist/writer Ridge Gibson shows up at the Rose Circle Coven meeting, he immediately gets three strikes against him: He's a reporter. He's arrogant. He wants a show of her abilities. Catrina has seen the damage anyone from the press can do. When Catrina finds herself in serious danger--Ridge Gibson is the one determined to keep her safe. Whether she likes it or not. What's a witch to do? Witches of Karma: Rose Coven is a sister series to Karmas Witches. Book 1, Life's a Witch is Amber's story. Book 3 Karmas a Witch is Topaz's story, and Book 3 Loves a Witch is Amethyst's story. While this story has different central characters, a sister or two may visit this story, so we consider it book 3.5 of the Karmas Witches Series, though it can be read as a stand-alone novel. Book 4, Haunting Karma and Book 5, Healing Karma are also available now. Scroll up and grab a copy today. This book does end on a cliffhanger and has 34,000 words.
