

## High Witch Next Generation (Generations Book 1)

This series is a spin off to my High Witch Series. Seventeen years have passed since Ariel and Hallie worked together to defeat Innes. The child High Witches Erica and Julia are now teenagers, facing their own challenges. When Erica meets Gareth, she feels excited that she may have found her first love and wants to see him as much as possible. But a vision featuring Erica and the dreaded test darkens her world and leaves her wondering who the mysterious blond man from her vision is. Gareth is falling for Erica, but hes hiding a dark secret. If she knew, she would despise him forever. He hates deceiving her but feels trapped. He has to choose between saving his father or protecting the woman hes falling in love with. He cant bear to hurt either, but a dark stranger has other ideas. This is a NOVELLA of approximately 22,000 words.
