

## How Green Was My Gimlet - A Three Act Farce

Dr. Herman Hildrone is a psychiatrist having a midlife crisis. His new patients, Georgie and David Pillow, are also in the midst of a midlife crisis. Georgie is distressed when her daughter Carol, age 7, loses one of her front teeth. Georgie is having an affair with her dermatologist. David, an advertising man, is upset when his son Billy, age 12, quits the Boy Scouts because there aren't any girls in his troop. This is a three act farce with SNL-type humor about alcoholism, infidelity, and dealing with the aging process. The comedy is very broad.
