

How To Draw Superman : Step-By-Step Drawing Lessons for Children

Superman is a character from superhero comic books produced by DC Comics, a large American publisher. The beginning of the Superman story is that Superman originated from planet Krypton and was sent to Earth in a spaceship when he was still an infant by his father, who was a scientist on planet Krypton, before planet Krypton was destroyed by a meteorite. Superman was rated the number one comic book out of the 100 best superhero comics by IGN in May 2011. In this book, we will practice drawing this timeless superhero together.
