

# I Know You Love Me, Mommy and Daddy

When the relationship between parents and their children is nurtured and healthy, very few things on earth can compare to it. If the adults in your childhood read to you, you probably have very fond memories of those times. Author Franicia Tomokane White draws upon her experience as mother of 6 precious children and the oldest child of her beloved Frank and Anicia Tomokane and joined with illustrator Debra L. Hostetler to produce this beautiful book which will help to cultivate a spirit of tenderness and thankfulness in the heart of the precious children in your life and communicate the unconditional love that parents are to have for their children as they raise them up in the nurture and admonition of the Lord.
