

## If I Wrote a Book About You

If I wrote a book about you and how wonderful you are, I would write it everywhere, says a mother to her child. And so she does with the branches of the trees, the sand at the beach, and even the rays of the sun. This beautiful picture book eloquently and uniquely conveys a mother's love for her child. Children will enjoy searching out the big words hidden in plain sight in the images. And parents will appreciate the message that a child makes you experience the world differently.
