

## Ill Wind: Book One of the Weather Warden

Someones finally doing something about the weather...in the first in this series by theNew York Times bestselling author ofInk and Boneand the Morganville Vampires series.Its A FUN READ (Jim Butcher) from A FIRST-CLASS STORYTELLER (Charlaine Harris)...The Wardens Association has been around pretty much forever. Some Wardens control Fire, others control Earth or Water or Windand the most powerful can control more than one. Without wardens, Mother Nature would wipe humanity off the face of the earth...Joanne Baldwin is a Weather Warden. Usually, all it takes is a wave of her hand to tame the most violent weather. But now, Joanne is trying to outrun another kind of storm: accusations of corruption and murder. So, shes resorting to the very human tactic of running for her lifeHer only hope is Lewis, the most powerful warden known. Unfortunately, hes also on the run from the Council. It seems hes stolen not one butthreebottles of Djinnmaking him the most wanted man on earth. And without Lewis, Joannes chances of surviving are as good as a snowball inwell, a place she may be headed. So, she and her classic Mustang are racing hard to find himbecause theres some bad weather closing in fast...[Ill Winds] forecast calls for murder, mayhem, magic, meteorologyand a fun read. Youll never watch the Weather Channel the same way again.Jim Butcher, bestselling author ofThe Dresden FilesRachel Caineis the author of several bestselling series, including the Revivalist and Outcast Season novels.
