DOG WITH A BONE Half-bloods with Thierrys skill set are given two options. They can join the conclaves marshal program, or they can pack their bags. Turn down the job offer, and youve just shredded your residency pass for the mortal realm and booked yourself a one-way ticket to Faerie. Texas is the only home Thierry has ever known, and shes not going anywhere. Even if it means following in her notorious fathers footsteps as a peacekeeper. But pinning on the badge opens her eyes to the fact sometimes fae need protection too, and that sometimes humans are the real monsters.

HEIR OF THE DOG Thierry Thackeray is having the worst week ever. Her ex is back in town, death omens are camping out on her mothers lawn and her estranged father has gone missing. Then theres the small matter of the High Court requesting her presence in Faerie. Now the wrong fae has answered her summons, and shes stuck with a not-so-charming prince who offers to fix all her problemsfor a price. She cant afford to tell him no, but with her luck, she might not survive saying yes.

LIE DOWN WITH DOGS With tentative peace established in Faerie, Thierry returns to her job as a conclave marshal in Texas while the countdown to her coronation begins. But what happens in Faerie doesnt always stay in Faerie. A crown wasnt Thierrys only souvenir from her trip. Her new husband, Rook, is scheming again, and this time his plans are invading her dreams. When her best friend throws a beachside going-away party, Thierry is grateful for the distraction from Rookand from Shaw. But her presence in Daytona rouses an old evil, one who wants the future queen as the crown jewel of his private collection.
