

Cry, Nike! (The Judas Curse Book 3)

With Nikes power at her weakest, Detective Ben Stanford must band together with immortals Mark and Judas, and the Norse gods Thor and Heimdall, and form a plan to take her down for good. Discovering a traitor in their midst, Ben forms a treaty with an unlikely source. Another breed of supernatural being appears, and another villain, who is willing to do everything he can to stop the group from taking the goddess down. As the group moves forward with their plans, Ben discovers a new power, new friendships, and learns to make true sacrifices to save himself, his friends, and ultimately humanity.
